

GOVERNMENT NOTICE No. 721 published on. 6/10/2023

THE ENVIRONMENTAL MANAGEMENT ACT,
(CAP. 191)

REGULATIONS

(Made under section and 230 (2)(s))

THE ENVIRONMENTAL MANAGEMENT (CONTROL AND MANAGEMENT OF CARBON
TRADING) (AMENDMENT) REGULATIONS, 2023

- Citation
- GN. No
636 Of 2022.
- Amendment of
Title
- Amendment of
Regulation 2
- Amendment of
Regulation 3
1. These Regulations may be cited as the Environmental Management (Control and Management of Carbon Trading) (Amendment) Regulations, 2023 and shall be read as one with the Environmental Management (Control and Management of Carbon Trading) Regulations, 2022 herein after referred to as the “principal Regulations”.
 2. The principal Regulations are amended in the title by adding the word “Mechanisms” immediately after the word “Trading”.
 3. The principal Regulations are amended in regulation 2 by deleting the word “project” appearing between the word “trading” and “in”, and substituting it with the word “mechanisms”.
 4. The principal Regulations are amended in regulation 3 by-
 - (a) deleting the words “for sale in the carbon trading project” appearing at the end of the definition of the word” Carbon Credit” and substituting it with the words “or removed which has been verified in compliance with an International Carbon Trading Standard, also referred to as certified or verified emission reductions”.
 - (b) adding-
 - (i) in the definition of the word “Carbon trading” the words “or transfer”

immediately after the word “selling”;
and

(ii) new definitions in their appropriate alphabetical order as follows-

““Committee” means the National Carbon Project Assessment Technical Committee established under regulation 11(1);

“Convention” means the United Nations Framework Convention on Climate Change;

“Gross Revenue” means revenue generated from sales of carbon credits without deducting any expenses or losses;

“Mechanisms” means market or non-market approach to pursue implementation of climate actions that allow higher ambition in mitigation and adaptation, promote sustainable development and environmental integrity as recognized under the Convention, Kyoto Protocol and the Paris Agreement;

“property” means an object owned by a person and aimed to be used in carbon trading projects to generate carbon credit;

“REDD+ project” means the project implemented in the context of reducing emission from deforestation and forest degradation, plus the role of conservation, sustainable management of forests and enhancement of forest carbon

stocks in developing countries;

“National Carbon Registry” means a repository which contains data element to the acquisition or transfer of carbon trading mechanisms that conform to national and international standards;

“Registrar” means a person responsible to keep and maintain National Carbon Registry; and

“sale” means an exchange or transfer of carbon credits or units for money terms.”

Amendment of
Regulation 5

5. The principal Regulations are amended in regulation 5 by deleting-

(a) in subregulation (1), the words-

(i) “is to” appearing between the words “Regulations” and “provide” and substituting it with the words “shall be”;

(ii) “projects” appearing between the words “trading” and “.” and substituting with the word mechanisms: and

(b) subregulation (2) and substituting it with the following:

“(2) In the promotion of achievement of the objective referred under sub regulation (1), these Regulations shall-

(a) provide for legal framework necessary for ensuring sustainable development by enhancing environmental conservation and country’s contribution towards global efforts on greenhouse gases emissions reduction;

(b) mobilize climate financing from local and international sources to support reduction of greenhouse

Environmental Management (Control and Management of Carbon Trading)
(Amendment)

GN. No. 721 (Contd.)

- gases emissions and foster green investment; and
- (c) facilitate capacity building for mitigating and adapting to climate change."

Amendment of
Regulation 6

6. The principal Regulations are amended in regulation 6 by-

- (a) adding in subregulation (1) the word "mechanisms" immediately after the word "trading".
- (b) deleting sub regulation (3) and substituting it with the following-
 - "(3) Subject to sub regulation (1) and (2), the Minister shall have a mandate to issue Letter of Authorization for implementation of a carbon trading mechanisms that meets the necessary requirements."

Amendment of
Regulation 9

7. The principal Regulations are amended in regulation 9-

- (a) in subregulation (1) by-
 - (i) deleting-
 - (aa) paragraph (e);
 - (bb) in paragraph (i) the letter "e" appearing in the word "reporte";
 - (ii) adding new paragraph "n" immediately after paragraph (m) as follows-
 - "(n) coordinate and conduct public awareness on carbon trading mechanisms"
 - (iii) renaming paragraph (f) to (n) as paragraph (e) to (m) accordingly; and
- (b) by adding new subregulation (3) immediately after sub regulation (2) as follows-
 - "(3) Notwithstanding the provision this regulation, the Designated National Authority or National Point shall establish the National Carbon Registry".

Environmental Management (Control and Management of Carbon Trading)
(Amendment)

GN. No. 721 (Contd.)

Amendment of
Regulation 11

8. The principal Regulations are amended by deleting regulation 11 and substituting with the following:

“National Carbon
Project assessment
committee

11.-(1) The Ministry Responsible for Environment shall establish a National Carbon Project Assessment Technical Committee.

(2) The National Carbon Project Assessment Technical Committee shall consist of the members specified in the First Schedule.

(3) The Committee shall be advisory body to the Designated National Authority or National Focal Point.

(4) Without prejudice to the sub regulation (1) and (2), members of the Committee shall serve for a period of three years and may be eligible for re-appointment for another term of 3 years.

(5) The committee may co-opt any person to provide technical expertise to the committee, as appropriate.

(6) The Director shall be the chairperson of the Committee.

(7) The Committee shall regulate its own procedure in the relation to the transaction of its business”.

Amendment of
Regulation 14

9. The principal Regulations are amended in regulation 14 by-

(a) deleting the word “and” appearing at the end of paragraph (b); and

(b) adding new paragraphs immediately after paragraph(c) as follows-

“(d) identify and map potential areas for carbon trading mechanisms; and”.

(e) monitor and evaluate carbon trading mechanisms and submit the report to the

Environmental Management (Control and Management of Carbon Trading)
(Amendment)

GN. No. 721 (Contd.)

Designated National Authority or
National Focal Point”.

Amendment of Regulation 15 10. The principal Regulations are amended in regulation 15 by adding the words “Regional Administration and” between the words “for” and “local”.

Amendment of Regulation 17 11. The principal Regulations are amended in regulation 17 by-

- (a) adding the words “in their areas of jurisdiction” immediately after the word “functions”; and
- (b) deleting-
 - (i) in paragraph (a) the words “at their areas of jurisdiction,” appearing between the words “projects” and “in”;
 - (ii) in paragraph (d), (e) and (f) the words “in their areas of jurisdiction” wherever they appear;
 - (iii) in paragraph (i) the words “in the areas of their jurisdiction”; and
 - (iv) in paragraph (b) the words “at the council level”.

Amendment of Regulation 18 12. The principal Regulation are amended in regulation 18 by-

- (a) designating the contents of regulation 18 as sub regulation (1); and
- (b) adding new sub regulation (2) immediately after sub regulation (1) as follow-
 - “(2) Without prejudice paragraph (c), managing authorities may enter into Memorandum of Understanding or arrangement as appropriate for the purpose of securing the intention to engage in carbon trading project.”

Amendment of Regulation 19 13. The principal Regulations are amended in regulation 19(1) by deleting item “41” appearing in paragraph (g) and substituting with item “42”.

Amendment of Regulation 24 14. The principal Regulations are amended in regulation 24-

- (a) in subregulation (1) by-
 - (i) adding-
 - (aa) a new paragraph (g) immediately after paragraph (f) as follows-
 - “(g) description on benefit sharing distribution by percentage;” and
 - (ii) renumbering paragraph (g), (h), (i), (j) and (k) as paragraph (h), (i), (j); (k) and (l); and

- (b) by adding new sub regulations immediately after sub regulation (2) as follows-

“(3) Where the Proponent indicate the intention to use the Carbon credit generated in whole or part to be counted in Nationally Determined Contribution of another country or elsewhere, shall request for authorization of transfer of credits or units from the Designated National Authority or National Focal Point in accordance with the guidelines or framework developed in line with Article 6 of the Paris Agreement.

(4) Without prejudice to subregulation (3), authorization shall be in accordance with the prescribed methodology, procedure and standards agreed by the Conference of the Parties Serving as the Meeting of the Parties to the Paris Agreement.

(5) Notwithstanding subregulation (3), the Designated National Authority or National Focal Point after scrutiny on the information provided, shall issue Letter of Authorization by the Designated National Authority or National Focal Point upon request as prescribed in the Second Schedule.

(6) Notwithstanding the provisions of subregulations (4) and (5), the cooperate approach between parties shall be in accordance with the guidelines or framework

developed in line with Article 6 of the Paris Agreement.”

Amendment of
Regulation 26

15. The principal Regulations are amended in regulation 26 by-

(a) deleting-

(i) in paragraph (a) the words “First” appearing between the words “the” and “Schedule” and substituting with the word “Third”;

(ii) in paragraph (b) the word-

(aa) “registration” and substituting it with the word “approval”;

(bb) “Second” appearing between the word “the” and “Schedule” and substituting with the word “Fifth”;

(iii) in paragraph (c) the words “registration of the” appearing between the words “the” and “projects” and substituting with the words “approval of the”.

(b) adding in paragraph (d) the words “issue letter of approval as prescribed in the Fourth Schedule to” between the word “shall” and “direct”.

Amendment of
Regulation 27

16. The principal Regulations are amended in regulation 27 by-

(a) deleting-

(i) in sub regulation (1) the word “registration” appearing between the word “of” and “of” and substituting it with the word “receipt of notification of approval”;

(ii) in sub regulation (3)(a) the word “Second” appearing between the words “the” and “Schedule” and substituting with the word “Fifth”; and

(iii) in sub regulation (4)(a) the word “third” appearing between the word “the” and “Schedule” and substituting with the word “Sixth”;

(b) adding-

- (i) in sub regulation (2)-
 - (aa) in paragraph (c) the words “and its alignment with national policies, plans and strategies” immediately after the word “description”;
 - (bb) a new paragraph (k) immediately after paragraph (j) as follows-
 - “(k) contribution of the project to the Tanzania Nationally Determined Contribution;” and
- (ii) in sub regulation (3)(b) the words “or letter of consent” immediately after the word “minutes”.

Amendment of
Regulation 28

17. The principal Regulations are amended in regulation 28 by deleting-

- (a) sub regulation (9) and substituting it with the following-

“(9) The Designated National Authority or National focal point shall issue Letter of Endorsement within thirty days from the date of receipt of project Document after being satisfied that, the project document has met the requirements.”

- (b) in sub sub regulation (10) the word “Seventh” appearing between the word “the” and “Schedule” and substituting with the word “Seventh”.

Amendment of
Regulation 29

18. The principal Regulations are amended in regulation 29 by adding new sub regulation immediately after sub regulation (2) as follows-

“(3) Without prejudice to sub regulation (1) and (2), cooperation agreement on carbon trading projects shall be entered in accordance with the laws and procedures of the participating countries.”

Amendment of

19. The principal Regulations are amended in

Environmental Management (Control and Management of Carbon Trading)
(Amendment)

GN. No. 721 (Contd.)

Regulation 32 regulation 32 by deleting the letter “d” appearing in the word “dcompliance”.

Amendment of Regulation 34 20. The principal Regulations are amended in regulation 34-

(a) in sub regulation (3) by-

(i) deleting-

(aa) the word “land” appearing between the words “for “and “based” and substituting with the word “REDD+”;

(bb) in paragraph (a) the word “accrued” appearing between the word “revenues” and “from”;

(cc) in paragraph (b)-

(aaa) the word “council” wherever it appears and substituting with the words “Local Government Authorities”;

(bbb) the word “ten” appearing between the word “council” and “percent” and substituting with the word “eight”; and

(dd) in paragraph (d)-

(aaa) the words “where as” appearing between the words “level” and “six”; and

(bbb) the word “council” appearing between “government” and “for” and substitute it with the word “authorities”;

(ee) in paragraph (e)-

(aaa) the words “pay nine” appearing between the

- word “shall” and “to”
and substituting with
the words “retain thirty-
one percent and pay
eight”; and
- (bbb) the word “Second”
appearing between the
words “the” and
“Schedule” and
Substituting with the
word “Fifth”;
- (ff) paragraph (f) and substituting
with the following-
- “(f) the Designated
National Authority or
National Focal Point shall
pay three percent of the eight
percent to the National
Environmental Trust Fund for
fostering the environmental
conservation including clean
cooking energy and
technologies.”
- (ii) adding new paragraph (c) immediately
after paragraph (b) as follows-
- “(c) subject to paragraph (b), two
percent out of sixty-one percent
shall be given to the Ministry
responsible for Regional
Administration and Local
Government out of which one
percent shall be given to the
Ministry responsible for
Regional Administration and
Local Government and One
Percent shall be given to the
Regional Secretariat to
facilitate coordination of
carbon trading mechanisms and
other environmental
conservation initiatives;”.
- (iii) renumbering paragraph (c), (d), (e) and

(f) as paragraph (d), (e), (f) and (g) accordingly.

(b) by deleting sub regulation (4) and substituting with the following-

“(4) without prejudice to paragraph (a) and (e) of sub regulation (3), in respect of non – REDD+ projects “sixty-one percent entitled to Managing Authority and, thirty-one percent for proponent, may be determined and negotiated between the Managing Authority and the Project Proponent depending on the nature of the project while the remaining eight percent shall be paid to Designated National Authority or National Focal Point.”

Amendment of
Regulation 41

21. The principal Regulations are amended in regulation 41 by deleting the word “on” appearing in the word “auditor” and substituting with letters “ed”

Amendment of
Regulation 42

22. The principal Regulations are amended in regulation 42 by-

(a) designating the contents of regulation 42 as sub regulation (1); and

(b) adding new sub regulation immediately after sub regulation (1) as follows-

“(2) Without prejudice to sub regulation (1), modalities for monitoring and evaluation of projects that contribute to achievement of the Nationally Determined Contribution targets shall be done in accordance with the Nationally Determined Contribution MRV system.”

Amendment of
Regulation 48

23. The principal Regulations are amended in regulation 48 by-

(a) deleting the words “of the regulations” appearing at the end of sub regulation (1);

(b) adding-

(i) letter “s” and the word “of” immediately after the word “provision”;

(ii) new sub regulation immediately after sub

regulation (3) as follows-

“(4) Notwithstanding the provision of sub regulation (1) (2) and (3), projects that are implemented under the clean development mechanism shall be required to transit to mechanisms under article 6.4 of the Paris Agreement in line with modalities and procedures agreed by the Conference of Parties serving as Meeting of the Parties to the Kyoto Protocol.”

Amendment of
Regulation 49

24. The principal Regulations are amended in regulation 49 by

(a) deleting-

- (i) in sub regulation (1) the letter “t” appearing in the word “decition” and substituting with the letter “s”;
- (ii) in sub regulation (4) the letter “r” appearing in the word “fourteen”; and

(b) adding-

- (i) in sub regulation (2) the letter “e” in the word “aggrived”;
- (ii) in sub regulation (3) the letter “f” in the word “or” appearing between the words “application” and “review”.

Amendment of
the First
Schedule

25. The principal Regulations are amended by deleting the First Schedule and substituting it with the following-

Environmental Management (Control and Management of Carbon Trading)
(Amendment)

GN. No. 721 (Contd.)

—————
FIRST SCHEDULE
—————

(Made under regulation 11(2))

COMPOSITION OF THE NATIONAL CARBON PROJECTS ASSESSMENT TECHNICAL
COMMITTEE

1. The National Carbon Projects Assessment Technical Committee shall consist of:
 - (a) Director of Environment who shall be the Chairperson of the Committee;
 - (b) Registrar who shall be the Secretary to the Committee;
 - (c) Director of Legal Services from Ministry Responsible for Environment;
 - (d) Commissioner of External Finance – from the Ministry Responsible for Finance;
 - (e) Director of multilateral cooperation from the Ministry Responsible for Foreign affairs;
 - (f) Other ten (10) members will be drawn from Government ministries, departments; agencies, civil society organizations, academic institutions and private sector with qualification or experience on climate change, environment, natural resource management, international cooperation, carbon trading and any other related disciplines.

A.33 Proposed, Declaration or Gazettement if applicable.	YES		NO	
A.34 Village land-use plans if applicable (for Village Land Forest Reserves).	YES		NO	
A.35 Does the project require Environmental Impact Assessment (EIA) as per the Forest Act Sect.18 (1)?	YES		NO	
Expected schedule				
A.36 Earliest project start date (Year in which the project will be operational)				
A.37 Estimate of time required before becoming operational after approval of the PCN				
A.38 Year of the first expected CERs/VERs/ERs delivery				
A.39 Project lifetime (Number of years)				
A.40 Current status or phase of the project/activity				

B. Expected Environmental and Social Benefits

Environmental benefits	
B.1 Estimates of emission reduction avoidance or removal (In metric tonnes of CO2 equivalent – t CO2e. Please attach spreadsheet.) Provide estimates from REDD activities separately	
B.2 Baseline scenario (What would the future look like without the proposed project? What would the estimated total carbon sequestration/ conservation be without the proposed project? Mention the baseline methodology approved by international standards. Also explain why the project is additional	
If REDD+ projects, mention the main drivers and agents for deforestation and how the project will address them.	

*Environmental Management (Control and Management of Carbon Trading)
(Amendment)*

GN. No. 721 (Contd.)

<p>B.3 Existing vegetation and land use (What is the current land cover and land use? Is the tree cover more or less than 10%? Is the area more than 0.5 ha?)</p>	
<p>B.4 Environmental benefits</p>	
<p>B.4.a Local benefits (demonstrate how the proponent is committed to consult with local affected stakeholders regarding sustainable development as part of environmental and social process or the validation of the mitigation activity of the project document).</p>	
<p>B.4.b National benefits (demonstrate how the project will safeguard any negative social or environmental-related impacts caused by the activity, including on air and water quality, biodiversity, and worksite safety; how the proponent is committed to use appropriate Sustainable Development Tools to identify and monitor sustainable development impacts delivered by the mitigation activity during validation and verification).</p>	
<p>B.4.c Global benefits (demonstrate alignment with sustainable development goals)</p>	
<p>B.5 Consistency between the project and the environmental priorities of the Host Country (describe how the project is aligned with national environmental priorities of the Host Country)</p>	
<p>Socio-economic benefits</p>	
<p>B.6 How will the project improve the welfare of the community involved in it or surrounding it. What are the direct effects which can be attributed to the project and which would not have occurred in a comparable situation without that project? (e.g. Revenue collection, employment creation, poverty alleviation, foreign exchange savings). Indicate the number of communities and the number of people that will benefit from this project.</p>	

Environmental Management (Control and Management of Carbon Trading)
(Amendment)

GN. No. 721 (Contd.)

B.7 Is there any benefit sharing arrangement in place? If yes, describe and attach the benefit sharing proposed.	
B.8 Are there other benefits? (e.g., training/education due to the introduction of new technologies and products, replication in the country, region or district)	

C. Project costs

Project costs	
C.1 Preparation costs	US\$
C.2 Establishment costs	US\$
C.3 Other costs (explain)	US\$
C.4 Total project costs	US\$

Participating Party's Address:

RE: APPROVAL FOR [TITLE OF VOLUNTARY CARBON MARKET SEEKING LETTER OF
ENDORSEMENT]

Please refer to the above-mentioned subject.

2. The Government of Tanzania approves the [Name of the Voluntary Carbon Market [VCM] project].

3. The Government approves [Title of the Voluntary Carbon Market Seeking Letter of Approval] with the following conditions:

- (i) The mechanism activity must be listed among Tanzania's NDC mitigation targets approved or authorized to host in [Name of the Annex].
- (ii) The mechanism activity must be in the [conditional] or [unconditional] or [outside the scope] category of Tanzania's NDC mitigation target.
- (iii) The public or private entity seeking to develop the mechanism activity must have received a letter of authorization from the Designated National Authority (DNA) of the mechanism to participate in the activity as an activity participant under the mechanism.
- (iv) DNA of the mechanism must have been issued a sustainable development support letter to the authorized entity to participate in the activity as activity participants.
- (v) The mechanism activity participant must have complied with the baseline approaches and methodological requirements, including additionality and crediting periods, as may be applicable to the Article 6.4 activity Tanzania intends to host under the mechanism.
- (vi) The mechanism activity participant submitted an official letter to the mechanism's DNA seeking a Letter of Approval.
- (vii) The authorized mechanism participant must have paid an administrative fee for obtaining a Letter of Approval (LOA) per the fee level according to these regulations.

*Environmental Management (Control and Management of Carbon Trading)
(Amendment)*

Gn. No. 721 (Contd.)

(viii) The DNA will make this LOA publicly by transmitting it to the Supervisory Body of the mechanism within the same time for issuing the LOA to the entity.

4. Thank you for the continued cooperation.
